Dear John, Woody and Staff:

Thank you for your recent OVER and BEYOND effort at our Second Annual Business Expo! Cooperative efforts among our local businesses will keep our economy strong in Anderson County during these tight economic times. But if we had more folks like you, I'm not sure we would be in tight times – you guys are awesome!

Our Chamber is committed to doing everything possible to support you – I hope you will remain involved this year. Our theme is, "Working Together We Can Make A Difference." I have certainly found the networks I have formed through Chamber work to be extremely beneficial for Bluegrass Community and Technical College where I work.

If you have any questions or comments, please don't hesitate to contact me at 502/839-8488, ext. 56811 or at Rhonda.wheeler@kctcs.edu. Thanks again for supporting your Chamber!

Sincerely,

A handwritten signature in blue ink that reads "Rhonda".
