Dear John,

I would just like to take a moment of your time by saying “Thank You” to you and your staff for your promptness and great quality of work. We, here at Reliant Asset Preservation Company are grateful to have had the opportunity of working with A-Plus Lawn and Landscape for the past few years now and look forward to working with you in the years to come. It is difficult to find such a great team that works hard to keep up with our demands as your company has done time and time again. I also appreciate the personal phone call from you at the beginning of the year when grass cut season is about to start for us. I would recommend your company to anyone who appreciates the quality of work you do, as we also appreciate it.

Sincerely,

**Tonya R. Lincoln
Office Manager**
