A Plus Lawn and Landscape Inc.  
309 Sunset Drive  
Lawrenceburg, KY 40342

To Whom It May Concern:

Citizens Commerce National Bank in Frankfort is a satisfied customer of A Plus Lawn and Landscape Inc. We have used their ice and snow removal services this Winter. John and his experienced staff display a great deal of pride in their work, and they always check to make sure we're happy with the results. There are many people and organizations in the area that offer similar services, but A Plus distinguishes themselves with service. I have also used their lawn care services at my personal residence and recommended them to several neighbors and customers.

Sincerely,

Rodney Williams
