To Whom It May Concern:

I am writing this letter in regards to John Rennels, Owner and President, of A Plus Lawn & Landscaping. John has been servicing my lawn and landscaping needs for the past 3 years with exceptional care and attention. I would highly recommend John and/or A Plus Lawn & Landscaping to anyone in need of these services and feel confident that they will encounter the same courteous professionalism that I have received.

I have also had the pleasure of working with John through the Anderson County Chamber of Commerce. John has been extremely active in the Chamber, always meeting or exceeding expectations. He continues to go above and beyond his commitments and has been a great asset to the Chamber and our community.

Sincerely,
