Attention: John Rennels
309 Sunset Dr.
Lawrenceburg, KY 40342

To Whom It May Concern,

John Rennels and all the guys at A Plus Lawn and Landscape did a great job getting our parking lot cleared during the ice storm of 2009. The ice covering our parking lot was no match for the magic salt they put on. It kept our parking lot safe all day. The guys even came back the next day to blow off the sidewalks and make sure everything went ok. Thanks A Plus and we'll see ya next winter!!!!

Sincerely,

Cindy Peterson
